The "Emotional Intelligence" class has been one of the best classes I've taken. When the instructor first stated that she would not be lecturing and that the class would incorporate interactive learning, I was a little apprehensive. However, this class has encouraged me to want to think more with my right brain. The class has encouraged me to learn myself better and it has encouraged me to practice empathy.

I would recommend this class to everyone and anyone because the concept of emotional intelligence is so helpful and necessary. Everyone should want to be able to control their emotions and impulses.

Dr. Zolbati has been an inspiration!

I REALLY ENJOYED THIS COURSE, IT PERTAINED TO MY SEASON OF LIFE, THE INSTRUCTOR WAS VERY FRIENDLY, SUPPORTIVE, AND USED VARIOUS TEACHING METHODS TO PROMOTE SUCCESS. I LEARNED A LOT ABOUT EMOTIONAL INTELLIGENCE. I LEARNED THE DIFFERENCES BETWEEN THE RIGHT BRAIN AND LEFT BRAIN. I ENJOYED GROUP WORK, PRESENTATIONS, AND A CREATIVE WAY TO LEARN. THE INSTRUCTOR WAS VERY BRILLIANT AND USED THAT TO TEACH US TO BE MORE EQUIPPED. IT HAS TRULY CHANGED MY LIFE, AND HAS HELPED ME TO SET GOALS, AND UNDERSTAND EMPATHY. I ENJOYED THE INFORMATIVE DVD LINKS THAT GAVE US A USUAL, AND BETTER UNDERSTANDING TO THE TOPICS INTRODUCED.

Fun & interesting course! 😊

Instructor is very knowledgeable and used creative techniques to teach complex ideas.

Loved the hands-on approach, ~~and~~ but often the group environment allowed for slacking in unmotivated individuals.

Good reading materials. Related directly to main topics.

BY FAR, IT HAS BEEN THE MOST INTERESTING CLASS I'VE TAKEN IN MANY YEARS. THE INSTRUCTOR USED VERY NON-TRADITIONAL LEARNING STYLES, WHICH IN MY OPINION MOTIVATED THE ENTIRE CLASS TO STAY INTERESTED IN WHAT WE WERE TO LEARN. I HIGHLY RECOMMEND THAT THIS CLASS BE A REQUIREMENT FOR UNDERGRADUATES.

GREAT JOB MRS. TORBATI! I COMMEND YOU ON YOUR PASSION AND DESIRE TO TEACH. YOUR WORLDLY EXPERIENCE IS OBVIOUSLY INVALUABLE.

I absolutely loved this class. I teach math to remedial students in elementary school, and I have used many methods to conveying information. I also have enjoyed learning about the mind and how it works. Mrs. Tonditi was the best teacher. Her love and kindness shines.

Thank You!

I really loved this course, out of all of the college and high school classes I've taken I learned the most from this one. Your style of teaching with the positive reinforcements, like the pens and pencils, seemed to make me grasp the information. Along with the color forms for notes. You're an amazing teacher* and this course makes a great impact on everyday life! Thank you for teaching me.

I just started the semester in August, this is my third class, and i have to say that this was the most interesting one. Why? Because i actually learned, the way this teacher, teaches, actually made me learn. (Which was about the brain and how it works. I enjoyed taking this class. Mrs. Torbati is knowledgeable, and very sweet. Thank You for taking the time to teach me, i enjoyed it very much, and i made a friend. Wealth is Friendships, not money.

I really enjoyed this class!

It was extremely interactive and alive. I believe this course should be a requirement to take here at Fresno Pacific.

I especially enjoyed how positive and reinforcing Professor Torbati is. This course was probably the most encouraging class I have taken in a long time.
