

Please evaluate your step up writing, six trait writing, and writing process workshop!

Very informative and encouraging.

I was able to see how we can start. Teaching writing has a beginning that leads to the next step and to the next! There is a flow to "Step up to Writing" that makes sense.

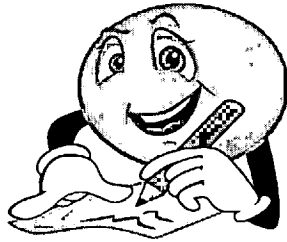

Please evaluate your step up writing, six trait writing, and writing process workshop!

FABULOUS!
AMAZING!
INFORMATIVE!
INTELLIGENT!
WOW! WOW! WOW!

Dr. Torbati is the most amazing professor I have ever had. She is an amazing person as well. I value every bit of information that she passes on to me. I will implement the Step Up To Writing into my classroom. I am a great teacher & person because of Dr. Torbati's influence!!!!!!!

Please evaluate your step up writing, six trait writing, and writing process workshop!

I loved this workshop. I learned about Step Up to writing, an easy effective process in teaching students to learn the writing process. I will definitely use it in my classroom.
