Thank you for a great class!
I loved the hands on activities,
group sharing, and most importantly
the big picture of bullying. 😊

Thank you for the pens/pencils!

You are a great presenter and
kept me interested and engaged
the entire time. You gave me
information ~~to~~ to think about
~~to~~ to better prepare myself
~~to~~ my ~~as~~ students, parents, and
fellow teachers. Thank you!

Professor M. Torbat's
courses keep getting Better & Better.

So much Wisdom was shared today
and helpful strategies.

Kindness + gentleness can overcome
Bullying, insecurity etc.

Don't give them Power
the Bullies

Be more mindful.

180% grade wise evaluation

Breakfast & Lunch were enjoyed as
well. Thankyou.

This was an insightful course. I ~~really~~ learned some really great strategies to stop the cycle of bullying. The thing I liked best was that I enjoyed learning. She teaches in a fun way in you actually remember what you learn and put thing we have learned into action. Keep up the good work. God Bless!!

lots of good information
to use in the class room.
Right side of the brain activation
is something that need to be used
in every class more. Bullying
Leads to crime
