workshop

Amazing! Tons of information was communicated in an easy to understand & process manner. Educational & enjoyable. Mrs. Torbati is an excellent presenter & has equipped me with valuable tools to take back to my class.

Thank you for being the best part of my MM & GO workshop!

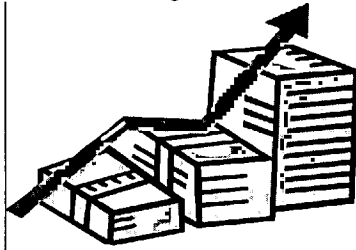

I hope that our paths cross again!

*Memory is more important than I
ever thought. Right brain needs to be
more activated. Our whole education
system needs to be refitted to right
brain students. We leave out too
many students that are right brained.*

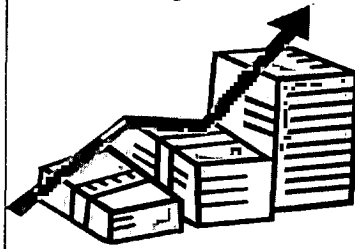

Thank you for being the best part of my MM & GO workshop!

I hope that our paths cross again!
