

Please evaluate your “Art & Science of

Motivation” workshop

I thought Maryam was fabulous teaching the Art + Science of Motivation. She used a variety of teaching strategies from visuals, charts, reading passages, note taking, etc. She made the class enjoyable and stayed on task.

Thank you for being the biggest part of the “motivation “workshop

Amazing! Very interesting and it gave me ~~a~~ so much to think about and try with my students.

Love the idea of having food.

Very inspirational!

A+ workshop! Looking forward to
using many of the tools and
insights ⁱⁿ ~~to~~ my classroom on
Monday morning. Thank you,
Dr. Torboti!
