Torbati is an amazing teacher! She has so much knowledge and her classes are very engaging! I am a better teacher because of her. My students love my class so much more since I have incorporated some strategies she taught. Thank you FPU for hiring a passionate, loving teacher who makes learning fun.

What did you learn about the “Understanding Common Core”?

one statement & one conclusion

Mariam teaches in such a fun way, I got excited about implementing the content to my teaching.

Common Core is NOT a curriculum. It's a way of teaching. 😊
