

Please evaluate your "Memory Tools"

workshop

LOVED THIS WORKSHOP! I can apply many of the tools that I learned today in my classroom on Monday.

I became a better teacher today, just by coming to this workshops. On behalf of my students, THANK YOU!

Thank you for being the best part of my MM & GO workshop!

I hope that our paths cross again!

Please evaluate your "Memory Tools"

workshop

This workshop was very informative & enjoyable. Thank you for modeling what you were teaching & for the resources you shared.

Thank you for being the best part of my MM & GO workshop!

I hope that our paths cross again!

workshop

I really enjoyed this workshop & feel like I learned a lot and have a better understanding of the brain and how our memories work. I know things to do to improve mine & my students' memory and ways to improving their learning!

Thank you for being the best part of our memory tools workshop!

I hope that our paths cross again!

Another
great class!
Cannot wait
for the next
one!

Please evaluate your "Memory Tools"

workshop

Always informative, cheerful,
caring and teaches so
much useful information
and "tools" to take
away and back to
our classroom.

Thank you for being the best part of my MM & GO workshop!

I hope that our paths cross again!

workshop

I will do more brain activities,
brain dance "owl" deep breathing.
I will Help students not stress.

Thank you for a great class!
♥

Thank you for being the best part of my MM & GO workshop!

workshop

She is a wonderful presenter.

We learn so much at her workshops.

She makes you feel safe, important, and valued.

I will use the strategies and concepts Monday Morning with my students.

Thank you for being the best part of my MM & GO workshop!

I hope that our paths cross again!

workshop

Today was awesome. There are so many things that affect memory. Even the amount of sleep I get. Brain dancing will effect students memory.

Thank you for your wonderful teaching!

Thank you for being the best part of my MM & GO workshop!

I hope that our paths cross again!
