What a wonderful way to start the new year. I have learned more from Dr. Torbati than I learned from my college classes & earning my B.A. Degree. I love you girl! God Bless you. Know that you are deeply appreciated.

This was an amazing class!!

I teach psychology @ my school & was aware of many of the topics covered. However, Dr. Torbati took what I already knew & elevated it to the next level & beyond.

She is a true asset to Education!!

Wonderful way to spend the day. I learned so much and was reminded of what is important in today's test-driven classroom.

I'm excited to take back activities and novelty items to encourage student participation.

Will be taking future classes.

Murjan is great! She gave us many ideas / concepts / actions to use in our classroom in regards to emotional intelligence. She is generous, fun and very in touch with the subject matter presented. Well-prepared and very knowledgable. It was a joy to learn from her.
