workshop

This workshop was highly effective, I scoring on a 1-10, I would receive a ten. I would recommend this class to everyone, not only educators, it opened my eyes to a lot of great new ideas.

Wonderful, fantastic class and teacher!!

workshop

The workshop was very informative and enjoyable. I learned many interesting facts about music and art. I will implement everything I learned in my classroom and in my personal life. Dr. Tobati gave me a lot of information that I can use and take with me. She did an outstanding job.

Fantastic workshop

Would recommend it to anyone.  
I always learn so much from  
Ms. Torbert. She is a fantastic  
instructor.

- Engaging, entertaining and  
very meaningful.  
I will be bringing back so many  
ideas back to my classroom and  
to my fellow teachers.  
will be taking many more classes  
with her.
