The conflict resolution workshop was fantastic. I realized that I can help my students with dealing with any conflict resolution.

Thank you for being the biggest part of the "conflict" workshop & hope our paths cross again!

I got so much out of this workshop. We had great discussions. All of the handouts are very informative and I'm excited to go home and read about more! Teacher was very knowledgeable about subject matter and a lot of fun! Can't wait to take another class from Maryam!

This workshop was non-stop engaging interaction with classmates and Dr. Torbati. Again, I have developed a sense of self-worth that was needed. I brought tools home that I will use and cherish. This was such a great class and wonderful learning atmosphere. I needed this class and content right now in my life, both at home and work.

Thank you!
