Amazing class, learned so much, this class has offered me hope in my own Recovery.

HAS giving me lots of information to pass and assist others in addition to improving myself and my Relationships, especially my 2nd marriage.

It is helping me to overcome passive aggressive behavior

If I were younger, I would seek a psych major if she were my instructor all the way through.

Thank you!

Thank you for being the biggest part of EQ course!

Hope our paths cross again, until be happy, be kind, be emotionally intelligent, and above all go with God!

LOVED THE CLASS! VERY INTERACTIVE
& VISUAL WHICH HELPED ME TO REALLY
LEARN + RETAIN THE CONTENT. IT WAS
A VERY RELAXED ATMOSPHERE.
THE SHORT ACTIVITIES/QUIZZES I THOUGHT
WERE VERY INTERESTING & ALSO SHOWED
YOU HOW MUCH OPINIONS/THOUGHTS CAN
PIPER BETWEEN PEOPLE.
ALL IN ALL, I HAD A GREAT
TIME WITH THIS COURSE + I HOPE
THAT I WILL GET TO HAVE ANOTHER
CLASS WITH MRS. TOKBATT AGAIN!

Thank you for being the biggest part of EQ course!

Your courses are always so wonderful
& entertaining. I truly learn about
the brain; handling emotions & I
am making sure to pass this along
to my own children. So much good &
interesting information.

Thank you!

I really liked this class. Learned so much great information that hopefully I can apply to my life when I'm dealing with stress. I feel that the videos & exercises really helped me understand what we were talking about at the time.

This was the best class I have taken @ FPU!
Mrs. Torbafi is amazing and I have never been more interested in PSYCHOLOGY. The pencils made me feel like an elementary school student again but 10x better!
I ♥ Mrs. Torbafi!!!
