workshop

Great workshop! Learned a lot of how to love yourself in order to be successful. By loving yourself you send off good vibes in your classroom and your students will enjoy being there. I will be able to incorporate this information everyday in the classroom. Thank you so much, I will be attending more of your workshops 😊

The background provided on the brain and how it works was very helpful. It provided a solid foundation for the rest of the seminar. I have several practical tools / applications for my own classroom. I have been to many trainings, this one gave me more than I expected. Thank You!

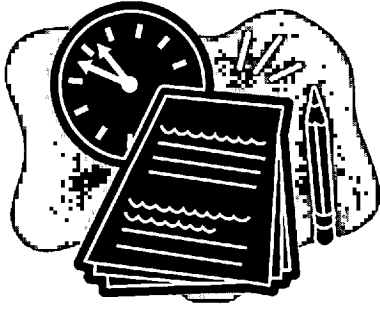

Thank you for your participations and making the classroom management a fantastic workshop
