

Please evaluate your "backward design curriculum" workshop

Very hands on assign-

- She was adamant that  
we thoroughly understand  
what backward design is.

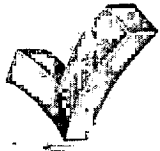

- had us design w/a partner  
a backward design lesson  
working w/a similar grade  
level person - p

VERY HELPFUL!

Thank you for your attendance & participations!

You made <sup>it</sup> all possible! With respect, Maryam Torbati, PhD.

Great workshop!  
Learned so much in regards to backwards  
curriculum & how to approach objectives & lessons.

Thanks & see you again

Please evaluate your "backward design curriculum" workshop

As usual I loved the class.  
It was presented in a way that  
kept my attention and gave  
me valuable / useful information  
that I can use ~~in~~<sup>in</sup> my classroom.

Thank You!

Please evaluate your "backward design curriculum" workshop

EXTREMELY HELPFUL IN PROVIDING DIFF.  
WAYS TO DESIGN AN EFFECTIVE LESSON.  
PROFESSOR IS ENGAGED AND MAKE THE  
INFO HANDS-ON & MEMORABLE

Thank you for your attendance & participations!

You made <sup>it</sup> all possible! With respect, Maryam Torbati, PhD.

Please evaluate your "backward design curriculum" workshop

Excellent!

Thank you very much!  
I can't wait to take all  
this back to my classroom!!

Thank you for your attendance & participations!

You made all possible! With respect, Maryam Torbati, PhD.
