

Please evaluate your workshop on happiness

I learned a lot today, happiness is a choice
& we need to choose to be happy.

I will definitely mirror this to my students.

Please evaluate your workshop on happiness

I absolutely love taking
your courses.

I learn so much "

Thank you it is always
a treat.

See you again in September.

Please evaluate your workshop on happiness

I enjoyed this workshop it gave me a better picture of what happiness is all about. Sometimes we don't take time to appreciate what we have and worry about other stuff. We think about what went wrong in the past that we forget to live in the present!

Please evaluate your workshop on happiness

Thank you for all of
your information, I will
defenetaly used in my classroom.

Please evaluate your workshop on happiness

I have never explored happiness in this depth before. The brain research and articles are very interesting. I will be able to apply this ~~new~~ new content to my classroom.

Please evaluate your workshop on happiness

This workshop helped me
see many things I knew
before but had forgotten.
Thanks for everything!

Please evaluate your workshop on happiness

I was reminded to value friendships and challenged to teach my students to trust, be grateful and compassionate.

It was a good exposure to experts in the study of happiness.

Please evaluate your workshop on happiness

The class was very well organized and very well presented. The curriculum is always something I can transfer to my classroom. Great workshop.
