I learned so very much on how to change myself to be more optimistic, and how to apply it in the classroom.

Thank you for being the most important part of our optimistic journey! Hope our paths cross again until then be out of the box, take a lesson from the nature, be optimistic, and be happy,

Great workshop! I loved the small group and the ability to share out often. Very personable and we were able to really evaluate our own attitudes/experiences and our own levels of optimism.

*This is an amazing class!
The instructor is fabulous, positive,
and inspiring! I wish I'd known
of her and her classes previously.*

Amazing

- I'm walking away encouraged about changes I can make in my classroom as well as my personal life.

Loved the mix of videos and reading on optimism

Left/Right brain information also helped me better understand how my students learn and react to things.

Very good, & I will
use the info right
immediately. I
know this because I
have used what I have
learned from Dr. Torbati's
last 5 classes already.
