

Please evaluate your "Differentiated Instruction"

workshop

I was astonished at the depth of learning that I was exposed to today. I realized that I only knew the surface of this interesting subject. I am learning so much to take and apply with my students. Thank you so much.

Thank you Dr. Torbati for sharing
your knowledge & love! You always
have a special way to engage us
and facilitate our learning!
So much info. was shared about
D.I., that I am so excited to
begin applying & practicing some
of these strategies ASAP!
Thanks again!!
