This Class was a great experience. I like the attitude of the Course. As well as Learning many things in how the mind works. This is a great Class I would recommend it to anyone.

Thank you for being the best part of my MM & GO workshop!

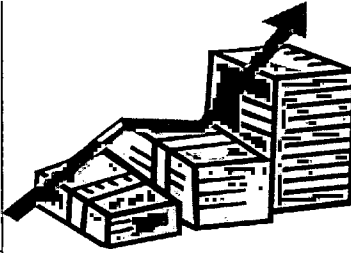

I hope that our paths cross again!
With many thanks,

Methodology is extraordinary!! Dr. Torbati modeled all that she taught. The information was very practical.

Dr. Torbati's demeanor is very non-threatening yet, effectively challenging.

Community building - was exemplified and cultivated respect among class members in a short time frame.

Thank you. Wonderful experience!
