Please evaluate the “Art of Math Teaching”

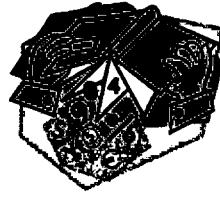

Excellent

I never felt adequate to teach math but you have given me confidence to keep going! Thank you!

“Math is fun, math is creative, math is inclusive, & above all math connective”

“Mathematics is the music of reason”

What did you learn about “

Art Of Math Teaching”?

3 statements;

1. The brain doesn't forget
2. From cradle to grave we are works in progress
3. Attitude is everything!

Please evaluate the “Art of Math Teaching”

I love Dr. Torbati's workshops. They are informative, interactive, positive and motivational. The class (instructor) helped me remember why I teach. Thank you.

“Math is fun, math is creative, math is inclusive, & above all math connective”
