Change your
belief - Change
Your life.

Please evaluate your "Art & Science of Motivation" workshop

This was amazing.

Sometimes I have
felt guilty about using
prize (like pencils or crayons etc) but
now I understand that it
is a Great Idea. We all need
to be motivated

Kathleen Luster

What did you learn about the "Art of

Motivation"?

One insightful statement;

Motivation is multi faceted & such a key force for success in life. We find our reality in our perceptions. Changing our children's perceptions of themselves and how they learn is paramount, and as possible. Never stop sharing - your message is so necessary for our kids!

Please evaluate your "Art & Science of Motivation" workshop

Lot of very useful information.
Thank you for all the handouts,
notes, & times to collaborate & discuss
all that we heard. Great time of
processing. Now an insight into myself,
my hubby & my students!
