Mrs. Torbati did an amazing job presenting this "Creativity Workshop". She is very enthusiastic ~~about~~ & well knowledgeable about any workshop she is presenting. Amazing Teacher with a kind heart & lovely personality.

Thank you for all you do!

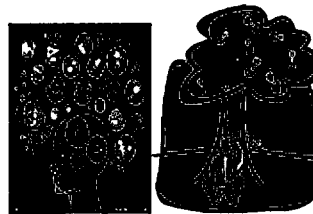

Thank you for being the biggest part of our "Art of Creativity" workshop & remember as teachers we owe it to our students/learners to be creative & teach them to be one too

You are amazing!

"Creativity & imagination is more important than knowledge" Albert Einstein

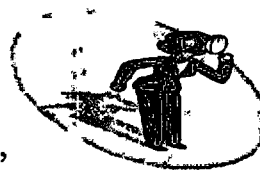

What did you learn about "Creativity"?

One conclusion ;

We cannot be afraid to break the habit prison because we are afraid to try new things via creativity.

workshop

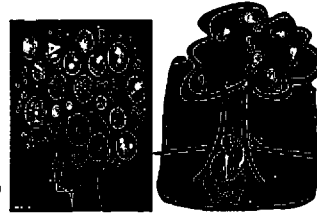

It was fantastic information. The comical part of it for me was the Oprah Winfrey video which really showed that she was a left brainer ☺

Thank you for being the biggest part of our "Art of Creativity" workshop & remember as teachers we owe it to our students/learners to be creative & teach them to be one too

*"Creativity & imagination is more important than knowledge" Albert Einstein*

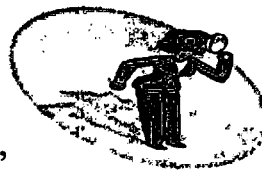

What did you learn about "Creativity"?

One conclusion ;

"Creativity is a matter of perspective."

Turn the ordinary into the extraordinary.

Please evaluate your "CREATIVITY"

workshop

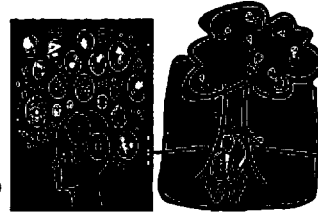

- Lessons learned in workshop are applicable to class.
- If I would add anything, more examples/practice of how to teach creativity to students

Thank you for being the biggest part of our "Art of Creativity" workshop & remember as teachers we owe it to our students/learners to be creative & teach them to be one too

"Creativity & imagination is more important than knowledge" Albert Einstein

What did you learn about "Creativity"?

One conclusion ; \_ To think outside of the box

- Provide a safe learning environment for students to feel comfortable and share their ideas

- Making mistakes helps learning

- Focus on the journey and not the destination  
(process)

Please evaluate your "CREATIVITY"

workshop

- I really like the TED videos and the group activities

- The instructor is amazing!! Passionate, knowledgeable, and humble!

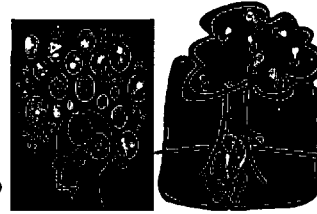

TH:

Thank you for being the biggest part of our "Art of Creativity" workshop & remember as teachers we owe it to our students/learners to be creative & teach them to be one too

"Creativity & imagination is more important than knowledge" Albert Einstein

What did you learn about "Creativity"?

One conclusion ;

Creativity is "re-framing" the ordinary to transform it into extraordinary. Must put yourself in position of opportunity — be prepared.

I think the video with Dewitt Jones was WONDERFUL! It shows how we need take a step back & look at life with a different lens. I can see how this video can be used to inspire EVERYONE!

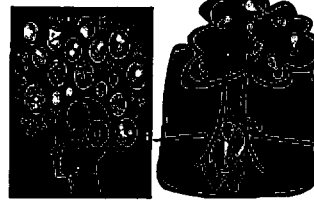

Thank you for being the biggest part of our "Art of Creativity" workshop & remember as teachers we owe it to our students/learners to be creative & teach them to be one too

"Creativity & imagination is more important than knowledge" Albert Einstein

What did you learn about "Creativity"?

One conclusion ; Turn the Ordinary into  
the extraordinary.

W,

Please evaluate your "CREATIVITY "

workshop

Great as usual. I learned that  
I need to work on being creative  
and enjoy the journey more.

Thank you for being the biggest part of our "Art of Creativity" workshop & remember as teachers we owe it to our students/learners to be creative & teach them to be one too

*"Creativity & imagination is more important than knowledge" Albert Einstein*

What did you learn about "Creativity"?

One conclusion ;

Do not be scared,  
speak your mind and let  
your creative ideas/  
thoughts be heard!  
Every one is creative in their own  
way!
