Torbati

What did you learn about EQ

One statement;

Emotional intelligence can always be improved.

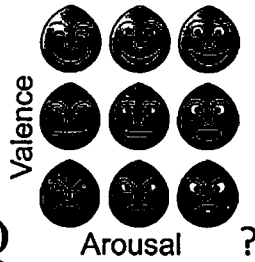

Please evaluate your EQ workshop

I truly enjoyed this workshop and have gained so much. I feel like it should be a required course for all teachers.

Thank you so much! I look forward to sharing this in my classroom.

Thank you for your attendance & all your participations “

Emotional are Contagious”

What did you learn about EQ ?

One statement;

I learned that EQ is more important than IQ. Feelings come before thoughts. Brain research has greatly improved in the past few years. The Amygdala and frontal lobe are connected. Keep a space between anger and reaction.

Dr. T has provided a wealth of information to help me in my classroom. Thank you, Dr. T!

This course made me emotional! I am more self-aware now of why this happened.

Thank you for your attendance & all your participations "

Emotional are Contagious"

What did you learn about EQ

One statement;

Before a reaction there is an emotion behind it.

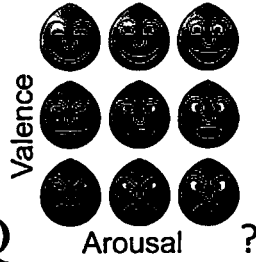

Please evaluate your EQ workshop

The workshop was very productive. Dr. Torbati is full of energy & has wonderful experiences to share with all of us. Loved her class! Amazing Teacher

Thank you for your attendance & all your participations "

Emotional are Contagious"

What did you learn about EQ ?

One statement; "Before every action there is an emotion."

- Emotion bank account is more important than bank account.

Please evaluate your EQ workshop

One of the best workshops I have attended
Dr. Torbati is passionate about her work & helping us be a better educator & person.
