

What did YOU learn about

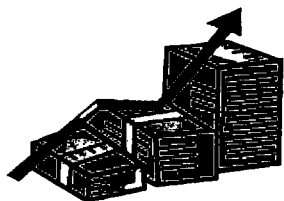

Memory?

We can improve our memory by

- association
- destressing activities
- color
- using our sense
- focusing/observing - no multitasking
- mnemonics
- graphic organizer

Please evaluate your "Memory Tools" workshop

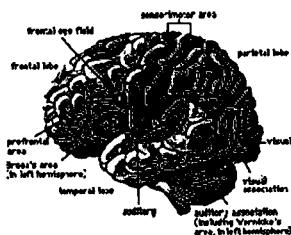

I will always remember this course! We used repetition, association, color etc with a lot of great strategies, memory tools and organizer. FANTASTIC!!
Dr T

Thank you for being the best part of my MM & GO workshop!
Remember "Memory gets better by association & imaginary"

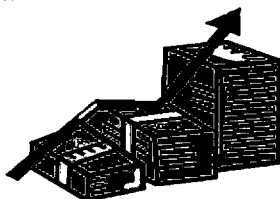

What did YOU learn about

Memory?

- o I learned that Omega-3 is the fuel for our brain
 - o We need to provide activities where our students make connections related to their emotions to better learn the content.
 - o Using our ^{non-}dominant hand will improve _{our brain}

What did YOU learn about

Memory?

We can improve our memory using various strategies

Please evaluate your "Memory Tools" workshop

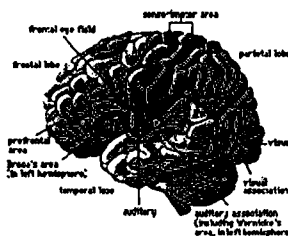

This was exhilarating and inspiring! I am so excited to start the school year with all of these great tools.

Thank you for being the best part of my MM & GO workshop!
Remember "Memory gets better by association & imaginary"

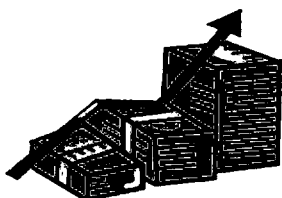

What did YOU learn about

Memory?

It takes effort to put things into memory.

Please evaluate your "Memory Tools" workshop

Awesome!

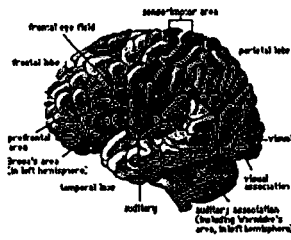

I really enjoyed all the hands-on activities.

Thank you for being the best part of my MM & GO workshop!
Remember "Memory gets better by association & imaginary"

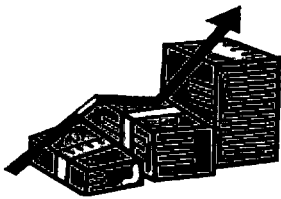

What did YOU learn about

Memory?

Memory is associated to sensory, short-term and long-term. It is limitless and you're never too old to learn something. You must work for it though!

Please evaluate your "Memory Tools" workshop

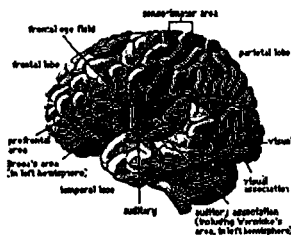

Great learning experience!

Thank you for being the best part of my MM & GO workshop!
Remember "Memory gets better by association & imaginary"

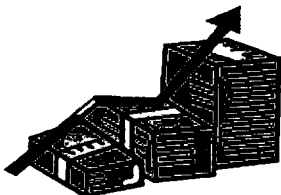

What did YOU learn about

Memory?

You need to use all types of memory in your classroom for students to conceptualize it.

Please evaluate your "Memory Tools" workshop

10/10 A+

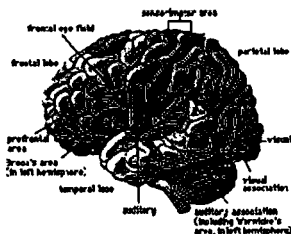

I love the style of teaching w/ evidence provided.

Thank you for being the best part of my MM & GO workshop!
Remember "Memory gets better by association & imaginary"

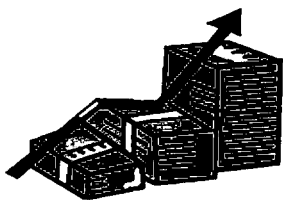

What did YOU learn about

Memory?

How important memory is, and how to improve it best. Multiple activities I can take back to my classroom. Kids need more time to get info. to long term memory.
