Motivation” workshop 

WONDERFUL, VERY EYE OPENING.
DR. TORBATI ALWAYS MOTIVATES
ME TO CHANGE & TRY NEW
THINGS..

Thank you for your attendance & all your participations
Please remember “Motivation is a choice”

What did you learn about

“Motivation”?

I learned that there are many reasons people are unmotivated & many ways to motivate.

I love what you said - Nobody will remember what you did or said but they'll remember how you made them feel.
Please evaluate your “Art & Science of

Motivation” workshop

I always learn so much from you - everytime I leave I want to be a better person. Thank you!

Thank you for your attendance & all your participations
Please remember “Motivation is a choice”

What did you learn about

“Motivation”?

There are many types of motivations, figuring out which motivation best suits an individual can help him/her achieve goals more frequently.

Please evaluate your “Art & Science of

Motivation” workshop

good information and helpful tips to help motivate students in the classroom.

Thank you for your attendance & all your participations
Please remember “Motivation is a choice”

What did you learn about

“Motivation”?

MOTIVATION IS KEY TO UNLOCKING THE FUTURE GENERATIONS OF LEARNING!

Please evaluate your “Art & Science of

Motivation” workshop

Excellent workshop
ACTIVITIES
VIDEOS!
HANDOUTS & DISCUSSION WERE ALL SUPERB

Thank you for your attendance & all your participations
Please remember “Motivation is a choice”

What did you learn about

“Motivation”? 

- Disgust is actually a form of motivation
- Anticipation causes more motivation than reward.
- Motivation is a choice!

Please evaluate your “Art & Science of

Motivation” workshop

This class was awesome!

— Thank you for putting on
a GREAT course.

Thank you for your attendance & all your participations
Please remember “Motivation is a choice”

What did you learn about

“Motivation”?

- give students the freedom to choose autonomy
- give praises/rewards
- 2 types of motivations: Intrinsic / Extrinsic

Characteristics of motivated people: healthy, plan of action, energetic, be humble, take risks

Lack of motivation, low self esteem, low expectations, lack of support

Please evaluate your “Art & Science of

Motivation” workshop

Very informative, great workshop!

Thank you for your attendance & all your participations
Please remember “Motivation is a choice”

What did you learn about

“Motivation”? 

- * Motivation comes from anticipation not the actual reward
- * Motivation comes from the dopamine and successful people produce more of it versus “slackers”

Please evaluate your “Art & Science of

Motivation” workshop

Thanks for the third wonderful workshop I have attended from you! I always learn so much!

Thank you for your attendance & all your participations
Please remember “Motivation is a choice”

What did you learn about

“Motivation”?

Students who are
lacking motivation
have low self-esteem,
need lack of support,
pressure & low expectation
