

What did you learn about the "Power of Optimism"?

Two conclusions;

1. Vision controls our ~~our~~ perception and our Perception becomes our reality
2. Seeing things from an optimistic point of view is what is best for the world

Please evaluate your "Power of Optimism" workshop

This is the best class I've ever taken. I am a cynical person who only took this class to get units. As a ~~the~~ teacher who works in West Fresno I constantly fight despare and hopeless situations. This class has changed my views on life and recast my vision for my purpose for my life. I cried and I am not a cryer. This experience has been profound and potentially life changing.

Thank You

Thank you for your attendance & willingness to examine the Optimism

What did you learn about the "Power of Optimism"?

Two conclusions;

1. Vision controls our perception and perception becomes our reality
2. Focus on ~~our~~ what is good
