

What did you learn about “unpacking standard”??

3 statements;

1. *I wish school districts would have you train on unpacking the standards.*
2. *Understanding emotional intelligence shows us how to reach Higher levels of Bloom's taxonomy.*
3. *Pictures will always enrich the learning*

Please evaluate your “Unpacking the Standard” workshop

*Another wonderful day!*

Thank you for attendance & all your participations, please remember “unpacking the standard is essential in knowing what to teach & how to teach it”
