Art of teaching is a wonderful workshop! I always learn so much from Professor Torbati. You have a very creative way of keeping us engaged and provide meaningful material. You teach us multiple strategies to implement in our classroom. I appreciate all that you do for us!

Thank you for attending & enriching our workshop!

Hope our paths cross again until then, be kind, be happy, and consider teaching an Art

I learned so much in this class. I learned key strategies and what's ~~the~~ most important in our little ones lives. They first need to feel safe. I learned that we need to prioritize what's most important. Following pacing charts are not!
