This was a fantastic workshop and I enjoyed every minute of it.

Thank you Dr. Torbati for providing so much knowledge. I will definitely come to another workshop.

Thank you, I LOVE how you demonstrate and keep the class going... upbeat. Much information in such little time. It was great! Thank you for all of the treats. I found the brain info fascinating. I've always used music and art in the classroom - nice to know that it's all being encouraged again.
