Note: Mean is calculated by the following formula: Mean = Total Points divided by (total possible answers minus bad or missing marks)										

Maryam Torbati ECD 400 CD 15

This was a very fun and educating class.

This course was very interactive. I enjoyed and looked forward to each class. I would look forward to having her for another course.

She puts the "B" in Best teacher ever!! I learned so much, she was refreshing, encouraging, and she loves teaching! Its very obvious in all that she does. I absolutely loved the class! Thank you for bringing someone like her to me!

I truly enjoyed the class and the instructor. She was very delightful, enthusiastic, and intelligent. I enjoyed how she taught and I truly feel I learned a lot from her class. In fact I know I did because since the class I have talked to others about what they learned!

I really enjoyed Maryam, she was fun, always full of energy and had lots of knowledge on this subject. I learned a lot from this course.

I loved this class and the teacher. Maryam made every class fun and exciting. She had creative ways of making the course work memorable. She was kind and did not lecture the entire time. I wish she taught more of our courses! Great class, wonderful teacher! I loved her "Brain dance!" Best teacher!!!

I loved the teacher's vibrant, energetic and funny personality. She was always happy and bubbly when she would speak in front of class. I will never forget how passionate she was about teaching. She was very knowledgeable about a variety of subjects.
