Thank you for being part of the eight habits of highly effective people

You are an excellent instructor, you kept the class very exciting. I have learned a lot about how the brain works and what it needs to stay focus on, I also learned how to keep your memory learning more and more.

The assignments were fun and so were the class participations. Thanks for the book talk activities, I plan on using them.

You are one instructor I would never forget !!  
☺

Thank You,

Your Student

Marylyn,

I want to give you the greatest evaluation. I feel like you perked up my brain. By teaching me how to be more creative in the classroom and also to let the children talk and ask more expressive questions. You are truly an inspirational teacher. I will take with me so much information in such a short period of time. I value all that I have learned. I walk away a better teacher because of you. You are "HUGE" in my memory. Thank you, thank you and God bless you.
