

Please evaluate your "common Core" workshop

Thank you for your whole brain approach to teaching a group of educators. Your teaching style is infectious and empowering. I appreciate your inclusion of a variety of instructional strategies to make the day entertaining and meaningful.

Thank you for your attendance & willing to examine the common core

Please evaluate your "common Core" workshop

- Wonderful information presented in a positive and encouraging way.
- I am able to implement and apply what I have learned on Monday morning!!

Thank you for your attendance & willing to examine the common core

Please evaluate your "common Core" workshop

This workshop was informative and entertaining. I learned a lot that I can apply in my own classroom.  
Thank You!

Thank you for your attendance & willing to examine the common core

Please evaluate your "common Core" workshop

Ms. Sobati did a fabulous job. The class was very informative and I learned a lot about the Common Core. Thank you

Thank you for your attendance & willing to examine the common core

Please evaluate your "common Core" workshop.

This class gave me an in depth understanding of what common core is.

I will go back on Monday and add on to what I've learned today.

Thank you so much for offering this class.

Thank you for your attendance & willing to examine the common core

Please evaluate your workshop in two sentences!

I loved your enthusiasm and passion for  
teaching and the desire to grow our  
children to their potential. You  
reminded me of the reason I  
became a teacher and has challenged  
me to utilize the new tools/ideas  
you shared today.

Thank You!

Thank you for attending & please remember learning with the Brain in Mind should be the center of each second of instruction! Hope our paths cross again until then be happy, be kind, and above all go with God

With gratitude,

Maryam Torbati, PhD.

Please evaluate your workshop in two sentences!

WONDER WONDERFUL! YOU MADE ME THINK ABOUT

HOW I WILL INTEGRATE "THE BRAIN" INTO  
MY P.E. PROGRAM.

YOU ALSO MADE ME THINK HOW  
I CAN AND SHOULD LEARN HOW  
TO IMPROVE AND "GROW" MY  
BRAIN SO THAT I CAN  
HELP MY STUDENTS.

THANK YOU!

Thank you for attending & please remember learning with the Brain in Mind should be the center of each second of instruction! Hope our paths cross again until then be happy, be kind, and above all go with God

With gratitude,

Maryam Torbati, PhD.

Please evaluate your workshop in two sentences!

Great Speaker. Very motivating.

I learned a lot - very  
informative & enjoyable.  
I'll buy the book when  
it comes out.

Thank you for attending & please remember learning with the Brain in Mind should be the center of each second of instruction! Hope our paths cross again until then be happy, be kind, and above all go with God!

With gratitude,

Maryam Torbati, PhD.

You were awesome -

I agree with all I have

learned today. Very

Inspiring.

PS Thank you for all  
The Rewards ☺

Thank you for attending & please remember learning with the Brain in Mind should be the center of each second of instruction! Hope our paths cross again until then be happy, be kind, and above all go with God

With gratitude,

Maryam Torbati, PhD.

- Please evaluate your workshop in two sentences!

Enlightening experience!

I am a "veteran" teacher +  
feel rejuvenated with the  
information - about the brain.

Thank you for attending & please remember learning with the Brain in Mind should be the center of each second of instruction! Hope our paths cross again until then be happy, be kind, and above all go with God

With gratitude,

Maryam Torbati, PhD.

Thank  
you!

Please evaluate your "eight habits of highly effective

people" workshop

Excellent workshop! I feel like the information presented will be beneficial in my class as well as personal life. Lots of valuable information!

Thank you!

Thank you for being the biggest part of the "eight habits of highly effective people" workshop

Hope our paths cross again until then begin with end, be proactive, and above all always sharpen the saw

Please evaluate your "eight habits of highly effective

people" workshop

Thanks so much for all of the info. given today! I always enjoy the knowledge you give to us & the fact that we can take it back to our classrooms 😊 I ~~am~~ now know the 8 effective habits of a teacher 😊

Thank you again

Thank you for being the biggest part of the "eight habits of highly effective people" workshop

Hope our paths cross again until then begin with end, be proactive, and above all always sharpen the saw

Please evaluate your “eight habits of highly effective

people” workshop

- Very useful!
- Great balance of instruction and sharing with others.
- I'll be able to use the information presented in the classroom.
- Highly recommend workshop to others.
- Looking forward to buying the book.

Thank you for being the biggest part of the “eight habits of highly effective people” workshop

Hope our paths cross again until then begin with end, be proactive, and above all always sharpen the saw

Please evaluate your “eight habits of highly effective

people” workshop

Great information and  
opportunities to explore  
the information with  
others. Very helpful!

Thank you for being the biggest part of the “eight habits of highly effective people” workshop

Please evaluate your "common Core" workshop

I enjoyed the workshop very much.

I am no longer afraid of CC  
and am now excited! Thank you  
for taking care of us.

Thank you for your attendance & willing to examine the common core

Please evaluate your "common Core" workshop

Great workshop! I feel like  
I understand CC better & have  
a more positive outlook on  
it. Thanks!

Thank you for your attendance & willing to examine the common core

Please evaluate your "common Core" workshop

Awesome! More engaging and  
memorable than district trainings!  
Looking forward for other workshops  
and free pencils!

Thank you for your attendance & willing to examine the common core

Please evaluate your "common Core" workshop

Excellent! The class was fun and very engaging. I learned a lot of new information that I will take back to my school. I will definitely attend another workshop & share with other teachers.

Thank you for your attendance & willing to examine the common core

Please evaluate your "common Core" workshop

This was my first workshop with Dr. Torbati. It was fabulous! I feel that I learned a great deal about the history and "why" behind common core implementation.

Thank you for your attendance & willing to examine the common core

Please evaluate your "common Core" workshop

This was a wonderful workshop!  
I have taken three workshops  
from you so far and they are  
always entertaining and informational.

Thank you for a great job!

Thank you for your attendance & willing to examine the common core

Please evaluate the "Art of Communication" workshop

I thought this was an awesome workshop! I feel like valuable information regarding communication was shared & modeled. I have learned a variety of skills that I will take back to my own classroom & use in my teaching.

Thank You!

Thank you for attending ,please remember effective communication is a skill and needs to be thought

Please evaluate the "Art of Communication" workshop

I loved being a part  
of this course today. I  
learned that I'm "Left-brained"

Communication is key with  
everything in our classroom &  
now I have a better  
understanding ~~all~~ of all  
Communicators & how to understand  
and work with them 😊

Thank you for attending, please remember effective communication is a skill and needs to be thought

Please evaluate the "Art of Communication" workshop

The workshop was very informative. It taught me different types of communication disorders and communication styles. Also listening styles that I wasn't aware of.

Thanks

Thank you for attending, please remember effective communication is a skill and needs to be thought

Please evaluate your workshop in two sentences!

I am so grateful for your visit! I feel validated for the way I've taught for 37 years. I work hard to ED the personalities.

I will pass on the brain info to my students - as usual w/ initial vocabulary, but adding all above level quickly. They are capable of much more than expected!

Thank you for attending & please remember learning with the Brain in Mind should be the center of each second of instruction! Hope our paths cross again until then be happy, be kind, and above all go with God

With gratitude,

Maryam Torbati, PhD.

Please evaluate the "Art of Math Teaching"

9

Fabulous class as always!

detailed explanation of how knowing

brain functioning can improve instruction  
in math.

Thank you Dr. Terkenti for another  
fun & educational class!

Please evaluate the "Art of Math Teaching"

- Excellent class
- I enjoyed how you modeled in class how to make learning fun.
- I enjoyed the pace of the class - no down time
- I will use some of the video clips in my class.

Thank you for a wonderful class!

Please evaluate your "Discovery Learning"

workshop

Everything was great! 😊  
I liked learning about the two  
types of discovery learning.  
Also, I always enjoy learning  
about the brain.

Please evaluate your "Discovery Learning"

workshop

Everything is very useful. All of concepts I learned today, I can go and apply &/or change my teaching. You've made me a better teacher today thank you.

Please evaluate your "Discovery Learning"

workshop

I always enjoy Mrs. Torbati's workshops + classes. She engages students and makes learning fun. I have gained a better understanding of discovery learning.

Evaluate your workshop in the “art of

effective assessment”

*Dr. Terbati was awesome as always.  
Her mastery of the material + teaching  
style was fantastic*

Thank you for attending & learning non-stop about assessment!

Remember the best Assessment is valid, reliable, free of bias, fair, relevant, and above all effective

Evaluate your workshop in the “art of

effective assessment”

I enjoyed the workshop. I learned that assessment needs to be authentic. I will apply what I learned by trying to make my assessments more balanced.

Thank you for attending & learning non-stop about assessment!

Remember the best Assessment is valid, reliable, free of bias, fair, relevant, and above all effective

Please evaluate the "Art of Communication" workshop

Excellent workshop! You know you are having been learning when time flies and class is over. The group had a lot to share too! Thank you for the videos (visuals) goodies, and the writing materials!

Thank you for attending ,please remember effective communication is a skill and needs to be thought

Please evaluate the "Art of Communication" workshop

Dr. Tortato is a great communicator and instructor. Her teaching style provides an environment for fun and learning.

Thank you for attending ,please remember effective communication is a skill and needs to be thought

Please evaluate the "Art of Communication" workshop

It was fabulous! Great way to keep us engaged & excited for coming. Loved all the things I learned to implement in my class now. Wish my college courses ~~were~~ were all like this.

Thank you for attending ,please remember effective communication is a skill and needs to be thought
