Great workshop!
Very engaging, catching, and
informative.
learned a lot of new information
and tools that I
can use in teaching.

Thanks!

This workshop was fabulous!
I will recommend it to all
of my friends who are
interested in incorporating
right brain activities with
their instruction.

Great workshop!

By far the best one so far!

Will let others know to take the workshop.

- Excellent workshop learned tons about the human brain and the importance of having it in schools and home.
- I will take other courses because of this one
- Instructor is awesome, did an outstanding job and knows her stuff!

This workshop was awesome! It kept my attention the whole time and I learned so much new information that I can take back to the classroom. Maryam is an excellent instructor, and she has a way of teaching that will help me remember the things I learned. She is awesome!
