

Please evaluate your course

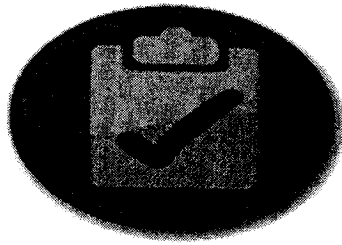

This course was very invigorating and taught me a lot of good information for life. I really enjoyed Dr. Brubati's energy and passion, and I enjoyed being able to experience the different videos of the presentors that she had.

Please evaluate your course

Dr Torbati's classes are always Inspiring
to me. This has been the best class
out of all of them.

Thank You

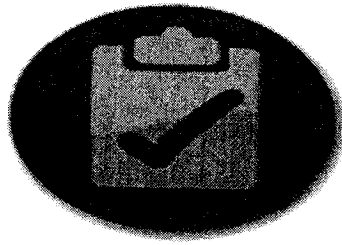

Please evaluate your course

This class was great! It makes me want to be more proactive and more helpful towards others. This has made my weekend! All of your classes are uplifting and fun! You are an amazing teacher!

I can't wait to see you again in January!

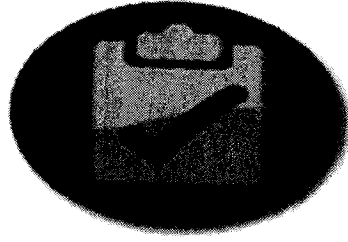

Please evaluate your course

I loved the course! It is inspirational and makes me think about how I'm living my life. I like the way class was run and how everyone is encouraged equally.

Please evaluate your course

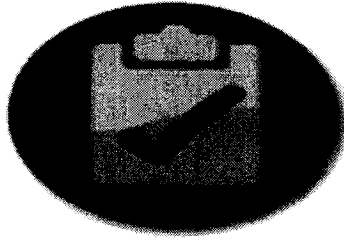

This course was awesome! As always, I am always amazed at the amount of material we are able to cover in such a short time. The creative teaching methods help me to retain and apply what I have learned.
Dr. Joubati is a gifted educator.

Please evaluate your course

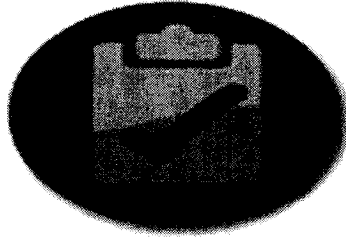

Any class with Dr. Torbati is great. You have a great, resourceful way of making people think about themselves and helping people become aware of their being.

Thank you so much

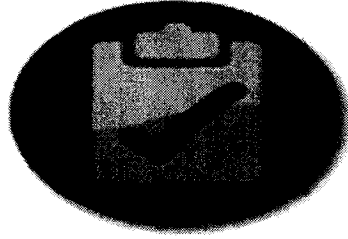

Please evaluate your course

Very captivating, I feel I have
learned so much - it was so
enjoyable and inspiring. So much fun
to learn with this wonderful instructor!
Very captivating speaker -
Never a dull moment!
Thank you - fantastic Class!

Please evaluate your course

Dr. Torbatti's class is one of the most exhilarating courses + inspires me each time I take her class. Wish I had more time to be mentored by her.

Fabulous!
*

I would even take this in
a 6 week course!
*

Thank you so much for being
such an inspiration.

I look forward to being in
more classes with you!

Please Evaluate This Course

Dr. Torbati,

Very few teachers have managed to impress or impart knowledge and certainly you are one awesome teacher. More of you is needed at this university. Your passion for teaching is contagious and it is difficult not to try hard to learn because you are very encouraging & effective in class. Thank you for a most wonderful experience. I will always remember you. Thank you.

Please evaluate your course

As always, I love this course.
I really loved watching all
the videos, instead of reading
all the paperwork - I feel
it makes a deeper, more
influential impact.
Thank you for everything!
You are truly special &
I will remember you always!
